ADAM WIKSTRÖM

BIG SCIENCE SWEDEN – INDUSTRIAL LIAISON OFFICE (ILO)

A CAREER WITH EXTREME TECHNICAL CHALLENGES

Inom Big Science finns något för alla

- Studentprogram
- Praktik
- Examensarbete
- Jobb

What can you work with at CERN? Not only physics!

Accelerator/Industrial Process Operations Technical Engineer
Accelerator/Industrial Process Operations Technician
Administrative Clerk
Applied Physicist
Business Process Analyst
Business Process Support Officer
Civil Engineer
Civil Engineering Technical Engineer
Civil Engineering Technician
Commanding Fire Officer
Communications/PR/ER Professional
Communications/PR/ER Support Officer
Computing Engineer
Computing Technical Engineer
Computing Technician
Department Head
Director
Electrical Engineer
Electrical Technical Engineer
Electrical Technician
Electromechanical Engineer
Electromechanical Technical Engineer
Electromechanical Technician
Electronics Craftsperson
Electronics Engineer
Electronics Technical Engineer
Electronics Technician
Executive Personal Assistant
Financial Professional
Financial Support Officer
Fire Officer
Firefighter
Group Leader
Health, Safety and Environment Engineer
Health, Safety and Environment Technical Engineer
Health, Safety and Environment Technician
Human Resources Professional
Human Resources Support Officer
Internal Auditor
Knowledge Transfer Professional
Legal Adviser
Logistics Professional
Logistics Support Officer
Material Science/Chemical Engineer/Chemist
Material Science/Chemical Technical Engineer
Material Science/Chemical Technician
Mechanical Craftsperson
Mechanical Engineer
Mechanical Technical Engineer
Mechanical Technician
Nurse (Occupational Health)
Personal/Team Assistant
Physician (Occupational Health)
Process/Services Assistant
Procurement Professional
Procurement Support Officer
Project Leader
Radiation Protection Physicist
Radiation Protection Technical Engineer
Radiation Protection Technician
Research Physicist
Scientific Information Professional
Scientific Information Support Officer
Section Leader
Site Security Professional
Theoretical Physicist

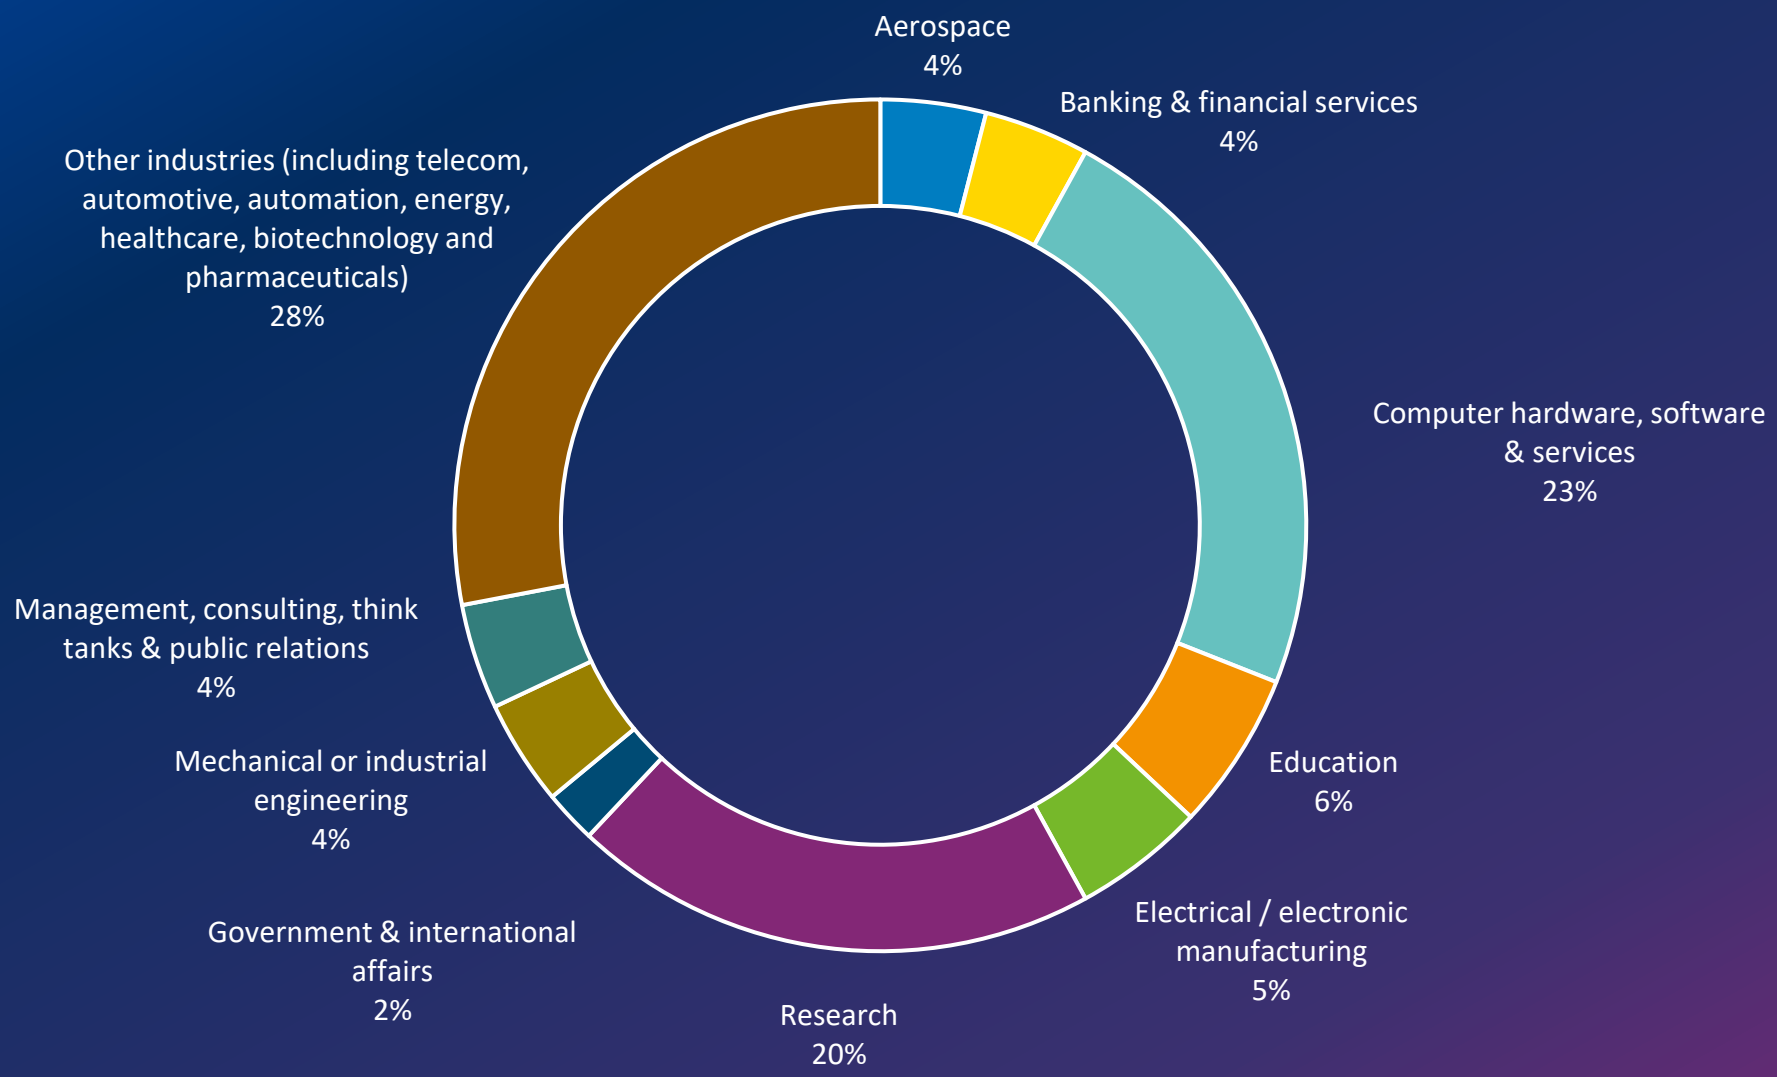
WHAT KIND OF EXPERIENCE IS OBTAINED?

According to one CERN-alumni:

- Working in international teams
- Data analysis
- Logical thinking
- Communication skills
- Adaptability and flexibility
- Efficiency
- Programming

Where do CERN alumni work today?



Job opportunities for students and researchers

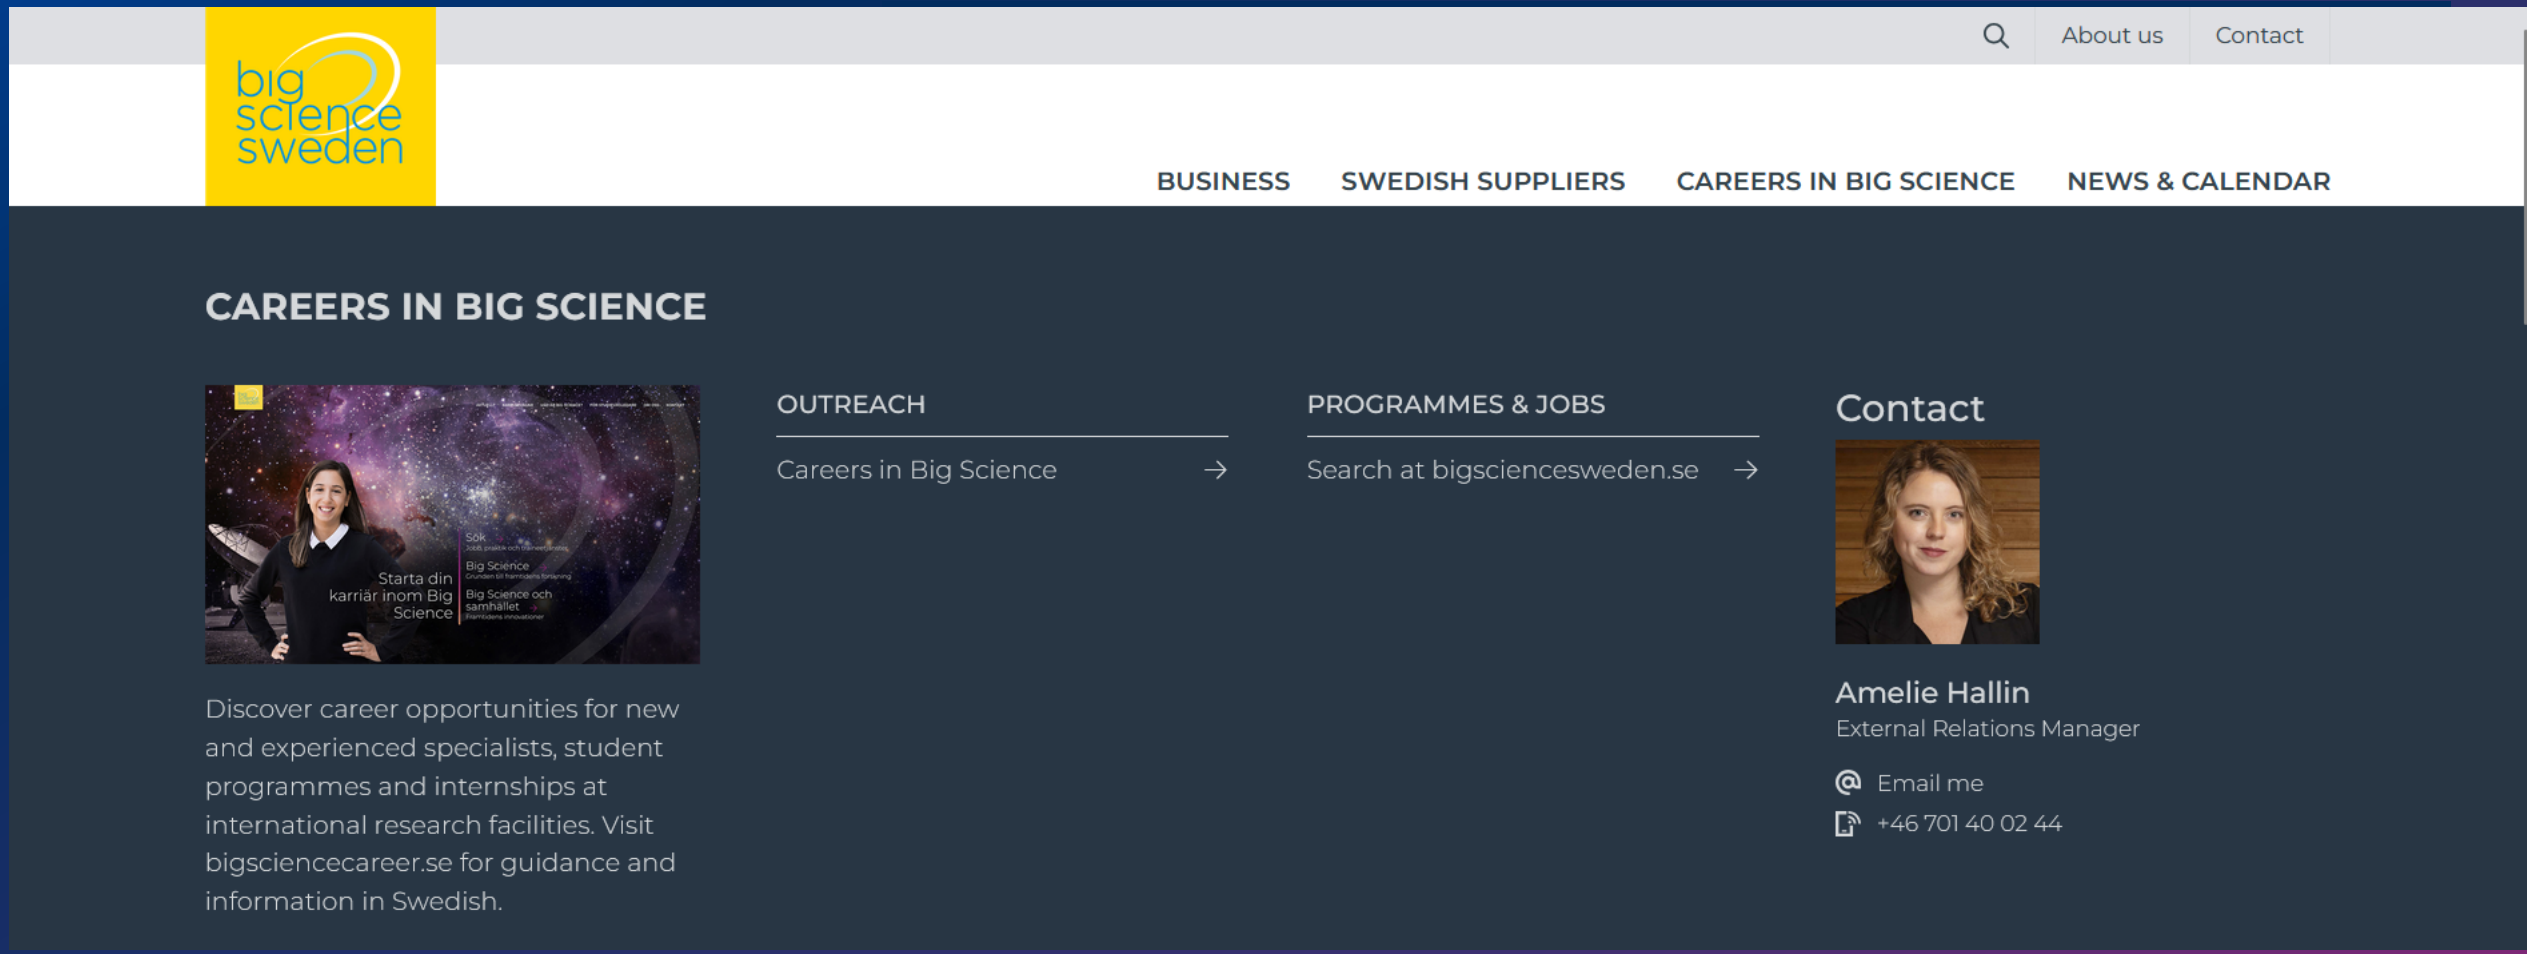
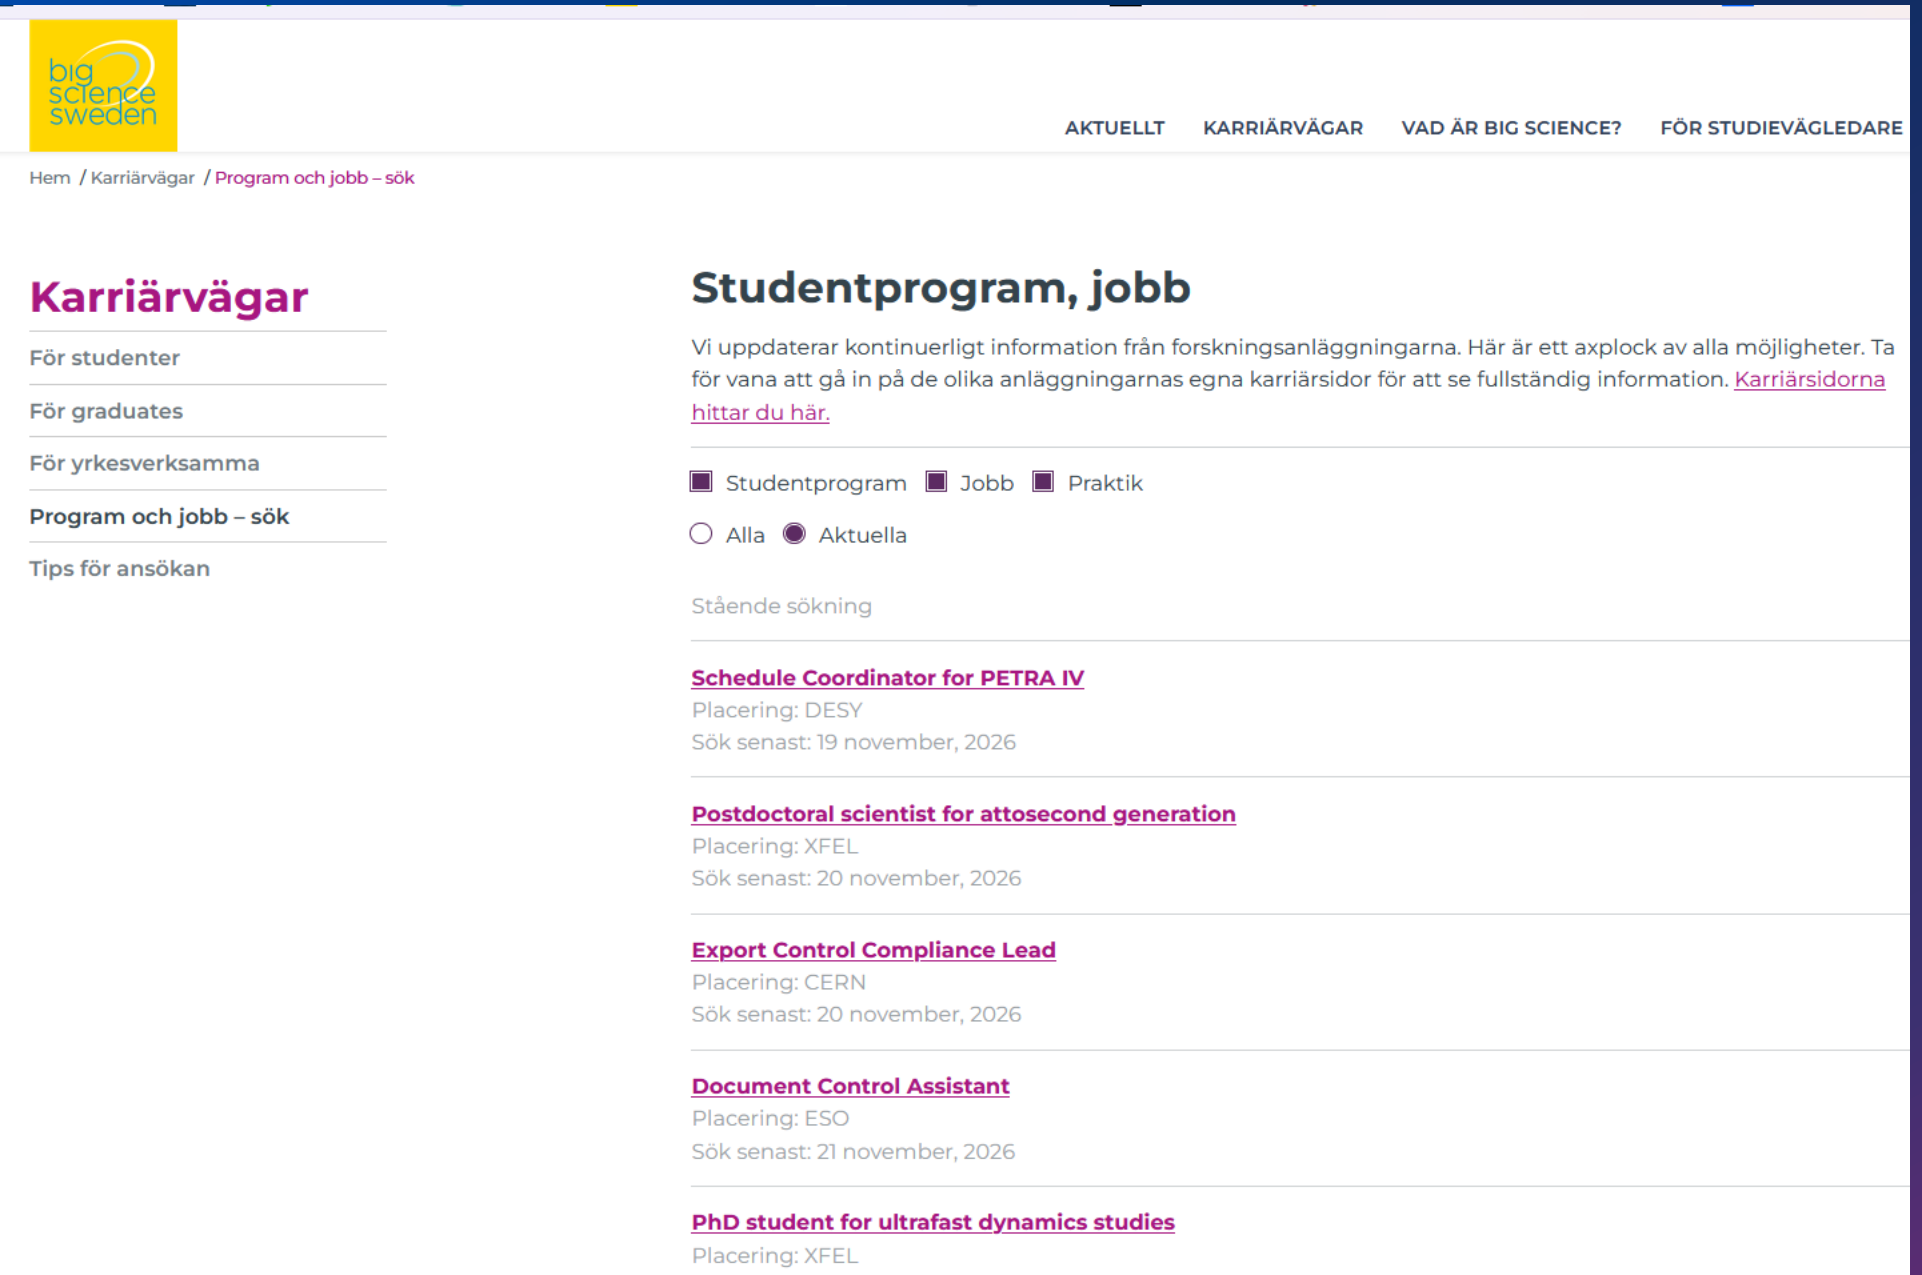
Careers in Big Science: Outreach



Karriärvägar & jobb



Karriärvägar
För studenter
För graduates
För yrkesverksamma
Program och jobb – sök
Tips för ansökan

Possibilities for students • NOVEMBER 2026

Engineering & Technology Internship

Masternivå

Deadline: 31 december

GET INvolved Short-term Internship Programme

Från termin 5

Rullande antagning

Praktik inom olika ämnesområden

Mest för år 4-5

Rullande antagning

Master Thesis Projects for 2027

Sista terminen

Rullande antagning

big science sweden

Possibilities after graduation • NOVEMBER 2026

ORIGIN • Early-career professionals

Max 3 år efter examen

Tjänster publiceras kontinuerligt

GET INvolved Traineeship Programme

Max 3 år efter examen

Rullande antagning

ITER Postgraduate Programme

Max 3 år efter examen

Deadline 31 december
